

THE GREEN PAPER – A QUARTERLY UPDATE – July 2008

INTERNATIONAL AGM 09

Forest of Dean 41 Club

By Dave Green – Conference Convenor

Following the AGM in Merano, Italy, it is full steam ahead with organising the 2009 AGM in the UK. Forest of Dean 41 Club looks forward to hosting our International and UK visitors in April 2009 when John Bellwood takes over as International President.

The purpose of these quarterly updates is to remind and inform you of progress surrounding the event.

Full detail is now on this website, leaflets have been distributed at various events and we have already received our first registrations and, amazingly, payment as well!!

You do need to complete the registration form and pay before your registration can be confirmed. We have a significant number of rooms reserved at the Conference hotel until the end of February 09 but you do need to book the accommodation direct as detailed in the leaflet. The Thistle Hotel has set aside (what we hope will be) an adequate number of bedrooms for most of the delegates but we do advise you to make your reservation in the near future to avoid the rooms being released by them. Conference Registration should be completed at the same time.
